From the Pastor

St. Timothy will host NJ Synod Ordination

Several weeks ago I received an email from LuAnn Barnes, confidential secretary to Bishop Tracie Bartholomew, asking if St. Timothy would host the synod's ordination liturgy on Sunday, September 23, at 3:00 pm. After discussing the matter with council president, Robin Koegel, and organist, Caroline Parody, I responded positively: St. Timothy will host the ordination.

It is quite an honor to host such an important event in the life of the church. At this time, it looks like two candidates will be ordained on September 23. Although I don't yet know the identity of these ordinands, they will both be serving ELCA congregations in North Jersey.

In addition providing space for the ordination, St. Timothy is asked to serve refreshments after the service: cookies, coffee, and lemonade, as well as providing the services of our organist and acolytes.

Although their service to the church may not directly impact the life of St. Timothy, the ordination of new pastors affects the whole church and is therefore an event that is open to all members of God's people. I'm hoping that many of you will plan to attend the service and that our young people will want to offer their services as acolytes. The liturgical color of the day is red – the color of Pentecost – so our paraments will need to be changed. I'm sure that Valerie McGrath, the head of our altar guild, will appreciate the assistance of other altar guild members.

Please let me know how you'd like to contribute to this very special event in the life of our synod. It is truly an honor to serve.

In Jesus' name,

We also welcome contributions to the fund for restoration and enhancement of our Church organ. The work is on-going and should be completed very soon. Checks may be made to St. Timothy Memorial Fund, with the words "Organ Repair" on the memo line.

We are grateful to all who have given to the St. Timothy Memorial Funds – the General Memorial Fund, the Music Fund, the George Laubscher Monday Morning Fund, the Memorial Garden Fund, the Eternal Light Candle Fund, and the Flanders/Schleer Scholarship Loan Funds – and for the faithful repayments to each loan fund. I read somewhere that 61% of Americans say they believe marijuana should be legal.

I've heard arguments on both sides of legalizing marijuana. The pros for legalization first talk about increase of money for the state and more jobs. They talk about more black people unfairly in jail for its usage. These points are probably true. They believe it can be regulated. The cons talk about the Doctors points. The THC in today's marijuana, a medical ingredient that helps lessen chronic pain, nausea, mood disorders and other ailments can be as high as 40 times more potent than the weed of the 1970's.

Doctors tell us marijuana is addictive. It can happen to anyone. About one in six teens who use will be addicted. Teenage brains are effected in emotions, motivation and decision making as well as long term memory loss it has been found in research. Also about 6 IQ points lower in adulthood. Will we in later years have to do as we have done with alcohol and tobacco use?

I've probably missed points on both sides, like driving under the influence mixed with alcohol but this is what a discussion looks like. Within these points maybe a solution can be found, but without listening to both sides how can we? We seem to have lost debates. There is a demonizing of opposite views. How can Christians help? Maybe listening to the other side and teaching our children to ask where the other view is coming from.

STEW SUNDAY - SEPTEMBER 23 2018

It's that time of year when we join with the congregation of Immaculate Heart of Mary to provide a hot, nourishing meal for the guests of Eva's Kitchen in Paterson. At our last Stew Sunday we had so many guests that we had to (literally) scrape the pots. We always hope for left-over stew as this is distributed to a women's shelter. Will you consider making a batch of stew!

The stew should be put into toss-away containers and brought to the church **either Saturday night or Sunday before 10:00 a.m.** You may also bring it on Friday during office hours (9-12). On Sunday at 10:00 the stews from St. Timothy are loaded up for transport to Eva's Kitchen.

As we need a count of stews, please sign up on the bulletin board across from the elevator or let Eileen Smith know that you will be cooking (thesmiths0729@gmail.com; 973-686-3667). There is a copy of the recipe on the bulletin board or you may ask Eileen for a copy Thank you!

HELP KEEP BABIES SAFE IN NEW JERSEY. Please join in a Knit-A-Thon on Saturday September 15th to support the "Click for Babies Campaign." Your knitted or crocheted cap will be given to baby boys and girls in November and December to help educate parents about the Period of

PURPLE Crying, a normal, but frustrating period of increased crying all infants experience in the first weeks and months after birth. The Knit-A-Thon will be held from 1-5 PM on September 15th at Immaculate Heart of Mary Church, 580 Ratzer Road. For information call Eileen Smith.

Prevent Cyberbullying: Internet Safety for Children, Ages 7 to 11

By: Mrs. Elizabeth Geiling, MSED, LMHC, LCC Psychotherapist

September is National Suicide Prevention Month. Children's and teen's suicide statistics have almost doubled in the last decade. There are many reasons for this increase but one predominant theory is cyberbullying and other predatory internet actions, considered especially dangerous because of the potential for anonymity. Be a savvy parent by using these guidelines:

If you are technologically limited, make an effort to learn and continue learning. Most communities offer adult education courses. The Apple Store offers free training when you purchase a computer. If these options are not possible, ask someone to teach you.

Place the computer in a central location where you are able to observe your child. The computer should not be in the child's bedroom. It is important to communicate the amount of screen time allowed each day. Set a timer and establish consequences for time violations. An excellent consequence is to take away screen time for the next day. If your child has a cell phone, set similar restrictions on phone calls and texting; do not allow them to use it at will.

After your child is finished online, check the browser and view the recently visited websites. If the viewing history is cleared, they might be visiting sites that are inappropriate. If your child shuts down the web page or the computer when you walk by, chances are they are hiding something. Be clear that you will be checking in order to assure their safety.

Establish the rules for the internet. What websites are they allowed to visit? What social media are they allowed to use? Check all the websites that they visit. Post the rules, including time limits near the computer. This way there will be no confusion. The internet browser can be set to block certain sites and help with parental monitoring.

Educate your child regarding predators who are online. They should not engage in conversation with people they do not know. They should never give out their name, address, school, phone number or anything that would enable an online person to find them. Even pictures of landmarks can identify their location. It is prudent to disable your webcam, so that children cannot engage in video chat with strangers. If you suspect a problem involving predatory behavior, bring it to the attention of the police.

Cyberbullying is dangerous for everyone involved and has been a factor in many tragedies. Everyone is at risk, bullies as well as the bullied. For the children who are being bullied, there is no refuge; it continues even after school when they return home to their families. The child acting as bully needs as much help as the victim. Be vigilant regarding this issue, impose no tolerance and report it immediately.

Social media is constantly changing. Even if you are behind the times, it is important to join and follow your child's activity. Most social media sites have age restrictions and it is important to follow their guidelines. Parental monitoring is necessary for safety. The landscape of technology will continue to grow and change. The safety precautions in place today will soon be outdated, and are never a substitute for you. It is critical for parents to stay informed, be vigilant, set parameters and encourage ongoing discussions with your children regarding online behavior.

How Your Endowment Gift Helps

Dear All,

The St Timothy Endowment Committee is asking you, the congregation, for suggestions for the 2017 endowment benevolent allocation.

Background: St Timothy Lutheran Church's ministry extends beyond the walls of the sanctuary and into the local and world community. St Timothy established the Endowment Fund in 2013 through the generosity of Ms. Marie Forester, as St Timothy was named as beneficiary of her estate.

Purpose: To strengthen and extend God's mission, reaching out in response to human need, locally, nationally, and globally.

Allocation: The Committee is responsible for the annual allocation of endowment dividend funds (approx. \$6,633.00) which is 50% of that year's total dividends. Of the 50%, 25% (\$3,316.50) of the total dividends will be determined by the committee and the other 25% (\$3,316.50) is to be determined by the congregation.

Requirements: Funds can only be given to legally qualified recipients; no funds can be used for St. Timothy's normal operating expenses. Requests can be made for special projects of the congregation, capital improvements for the congregation and other purposes.

For our donations to have the greatest impact please consider giving to the local chapters of national and global organizations.

Due Date: Sept. 16th. There is a suggestion box with a tear-off sheet in the back of the Narthex. You will be asked to list one local, one national and one global charity and also include your name. You may cast your ballot by placing it in the box in the Narthex or emailing it to st.tims395@yahoo.com.

This is an exciting time at St Timothy and the committee looks forward to hearing your suggestions.

In His Service,

The Endowment Committee: Pat Kaplan, Mary Stevens, Roy Fabian, Rich Wantula, Edward Cleaver, Ken DeAngelis, and Lori Bleeker
