Two years ago, I had the opportunity to visit Palestine and Israel. I had been there before, in 1999. At that time, Palestinians and Israelis, Jews and Arabs, Christians and Muslims were living a fragile peace that had been forged in Oslo, Norway

between Yasser Arafat and Yitzhak Rabin. I saw Arabs and Jews of European descent working and talking together. They probably wouldn't have considered themselves friends, but they were living lives together.

When I returned in 2019, I was appalled at the changes I saw. The Israeli government had, in fact, built an apartheid wall between the Palestinians and the Israelis. Where there weren't walls, there were signs warning Israelis not to enter areas under the authority of the Palestinians, because it would be "dangerous to your lives." The intermingling between the groups had been curtailed. Even Semitic Jews – those indigenous to the area – spoke to us about their mistreatment by new settlers, who judged them based on their skin color and native Arabic language.

We met with former Israeli Defense Force soldiers who shared the stories of human rights violations committed by the military and by Jewish settlers. They explained to us that it was the military's responsibility to protect all Israelis and no Palestinians. So, if a settler attacked a Palestinian, or entered their home, or stole the produce from their farm, the Palestinian had no protection. In fact, if they tried to defend their home or farm or family, then the military would come and arrest them. Soldier after soldier told us that the average Israeli doesn't know about these goings on, because they aren't allowed to interact with Palestinians any more. The international press is kept away. When settlers attack Palestinians, there is no recrimination. But, when the Palestinians try to stop the abuse, there is an immediate crackdown. This information was being given to us by Israeli Defense Forces!

It seemed incredible. And yet, when we went to Hebron and met the Palestinians there. We saw netting hanging over many of the market stalls. We saw broken glass and cups in the netting. They explained that the market stalls were owned by the citizens of Hebron (Palestinian), but Israeli settlers lived in the apartments above. Frequently, the settler children would drop full cups of soda and juice and even glass and other projectiles off the balconies. It was a game to them to see if they could hit a Palestinian. When we were walking through the town, we witnessed a settler woman yelling at our Palestinian tour guide. She screamed to a nearby soldier, who came and asked us to leave that street.

We also visited the Augusta Victoria hospital, which is owned and operated by the Lutheran World Federation. It is the only hospital that treats Palestinian children with cancer or kidney disease. However, for Palestinians to travel to the hospital, they must obtain a permit from the Israeli government. At the time of our visit, the Israeli government was only granting permits to the children – not their parents. So, LWR had a staff of international transporters to pick up and travel with the children for their treatments. To this day, it still brings tears to my eyes thinking of small children having to go to the hospital without their parents. God gave us all parents to be our caretakers. Those kids are robbed of that in their most vulnerable moments.

Having seen what I've seen, it would be easy for me to paint Israelis as bad and Palestinians as good, but I know that isn't true. Both sides have committed shocking atrocities. Both sides are created in the Image of God. Both sides have *nowhere else to go*. The only hope is for them to learn to live together with respect and dignity. Many people are already doing that. As your pastor, I encourage you to pray for their work toward reconciliation. This prayer is a good place to start:

A prayer for peace in the Holy Land from Christian Aid

Pray not for Arab or Jew, for Palestinian or Israeli,
but pray rather for ourselves, that we might not divide them in our prayers
but keep them both together in our hearts.

When races fight, peace be amongst us. When neighbours argue
peace be amongst us. When nations disagree peace be amongst us.

Where people struggle for justice let justice prevail.
Where Christ's disciples follow let peace be our way.

Amen.

Since April 15, 2021, gifts have been given to the General Memorial Fund in memory of:

Stanley Smith, husband of Carol Smith and grandfather of Erik and Bryan Lawson

to the Memorial Garden Fund in memory of:

Harold Winters, husband of Pat Winters

and to the Organ Restoration Fund in memory of:

Merle and Frank Knotts, parents of Mary Ann Levine

During this month, Memorial Garden funds were used for trimming and clean-up in the Garden.

No Memorial Garden pavers were purchased this month, so our paver total stands at 115. The price of a paver is \$300.00. Checks may be made to St. Timothy Memorial Fund, with the words "Memorial Garden" on the memo line. Pavers may be engraved with the names of deceased loved ones or left blank for future engraving. Paver application sheets are available in the narthex. See Pat Winters for further information or assistance. The Memorial Garden is self-supporting; gifts are welcome at all times!

We also welcome contributions to the fund for restoration and enhancement of our Church organ. This work is on-going. Checks may be made to St. Timothy Memorial Fund, with the words "Organ Repair" on the memo line.

We are grateful to all who have given to the St. Timothy Memorial Funds – the General Memorial Fund, the Music Fund, the George Laubscher Monday Morning Fund, the Memorial Garden Fund, the Eternal Light Candle Fund, and the Flanders/Schleer Scholarship Loan Funds – and for the faithful repayments to the loan funds. We welcome additional contributions as we assist families with the high price of college.

Media is a pet peeve of mine, and right now their reporting is a problem. They don't seem to check how accurate their facts of reporting are. Sometimes the information is mostly opinion. One day it's okay to go outside and, if vaccinated, feel pretty safe and then another wearing a mask is still recommended. Then they talk about herd immunity.

So while you are waiting to have it all sorted out, I'm going to finish this article with some quotes. For some I have the author and for others I don't:

Thoughts along the way...

"Pray for things, but accept what you are given. He knows better than you what is for your own good."

"Remember to live in the moment. It will not come again."

"The cardinal sin of capitalism is greed, but the cardinal sin of socialism is power."
A. Scalia

What do you think your purpose of being alive is?

"Our doubts are traitors, and make us lose the good we oft might win by fearing to attempt." Shakespeare

"Rudeness is a weak person's attempt at strength." Casert

"Humor is such a strong weapon, such a strong answer." Varda

"There are two ways of spreading light: to be the candle or the mirror that receives it." Wharton

Step outside your door. It's spring. Enjoy the weather, sunshine and warmth. Turn the TV off. Sweep up cicadas. Hear the drone along with the birds chirping. Light the grill and bring out the hamburgers and hot dogs. Whatever your choice about handling the virus, it's your choice. Just do it and enjoy spring. Remember God is always with you.

The Sunday School year has ended again at St. Timothy. And, like everything else this year we celebrated the last day very differently. We all gathered outside on Sunday May 16 for an intergenerational service. A great time was had by all! Light refreshments were served after the service.

I am including in this article what I said, with Terri Loftus by my side, while the students came up to accept their awards/pins.

“Every year, except last year, on the Last Day of Sunday School we celebrate Cross and Crown Sunday. For the members that don’t know what ‘Cross and Crown’ is I will explain. Cross and Crown Awards are Pins that a Sunday School Student receives for missing 4 Sundays or less during the Sunday School year. They are a reward for good attendance. Well, this year, attendance was really good. Almost every student had perfect attendance! The Christian Ed Comm. and Pastor Kimberly decided that EVERY student will get a pin this year”.

“We, as a group, also decided that since this was such a challenging year in Sunday School, Regular School and in life, they deserved a special gift. Each Student and Sunday School Teacher will receive a really cool ‘ARMOR OF GOD’ Pin. In Ephesians 6:10-18 it says that God equips us with Spiritual Armor. And through our Faith and our Prayers we can stay strong. We put on the ‘Armor of God’ to keep us protected! Students, Parents, Grandparents, you all did a great job”!

Pentecost Sunday, May 23, was celebrated with five of our youth being Confirmed. Each of them reaffirmed their Baptism during the 10am service. Our five, very excited Confirmands are: Caroline Corbett, Jacob Dittmer, Joshua Dittmer, Bryan Lawson and Ava Serventi. Each received a Lutheran Book of Prayer with a very special bible verse printed inside. This year, each family gathered in their own pew or special area inside of the church. We are very proud of all of them becoming adult members of the St. Timothy community of the faithful.

Would you like to be part of a prayer chain? If you are interested, please contact me at the number listed below.

Here's how it works: When someone calls me with a request you will be contacted to pray for that person, you will then pass the request on

to one other person who will do the same. These requests will not be published.

To ask for prayer, call me and I will start the prayer chain. Requests can be as simple as "please pray for my neighbor who has to move into a nursing home?" or it can be "please pray for my daughter Ann". Feel free to give as many or as little details as you feel comfortable. Your request will be on the list for 4 weeks unless you call to continue.

Those calling with requests will be asked if it is confidential or if it can be shared. If you get my answering machine, you can simply say something like 'this is for prayers' and leave a phone number and I will call you when I get home.

Please call for any additional information,
Barbara Westerberg ~ 973-696-1471
