“We are not baptized because we are worthy and holy, nor do we go to confession pure and without sin; on the contrary, we go as poor, miserable beings and because we are unworthy in

ourselves; excluded is only [s]he who does not desire grace and absolution or one who never thinks of amending [her] his life.” – Martin Luther *The Large Catechism*

In the Lutheran tradition, baptism is a sacrament along with the Lord’s Supper (AKA communion). According to our church doctrine, the important thing about each of these is the pairing of the word (scripture) with the elements (water, wine/juice, and bread). We believe that the work of the sacraments is entirely accomplished by the power of the Holy Spirit and not our own effort. As Martin Luther wrote, “Although a rogue administers the Lord’s Supper or even takes it, it is the true Sacrament, that is Christ’s body and blood, just as when one uses it most worthily. For it is not based on human holiness, but upon the divine Word.”

I, as the presider, will strive against being a “rogue” as I expect all of you receiving the sacrament will as well. But, even on those moments when we struggle to be more saint than sinner, we can be sure to meet Christ where we are. Being community means recognizing that we are going to make mistakes. We don’t exist as a church of perfect people. We exist as a church of a perfect God.

This month, we will celebrate as five young people affirm their baptism promises. I will ask them to profess their faith in Christ Jesus, reject sin, and confess the faith of the church. After they have done this, I will turn to the congregation and ask you to promise to support and pray for them in their life in Christ. This ritual signifies **the beginning** of a new chapter in their faith as spiritual adults in the church. They will be able to vote on church matters, serve on council, and fully participate in church life. Their insights and experiences can inform us as a community to be a better church than we would be without them.

I have also spoken with some adults that want to learn more about the catechism or review it again after a long while. There are some that deeply desire to stand before the congregation and affirm the promises made on their behalf when they were baptized. I have purchased catechism curriculum from Augsburg that is geared

specifically to adults. If you would like to be a part of such a class, please email or call me. Learning more about the church and the sacraments will help anyone to grow in their faith practices.

As the quote from Martin Luther at the top of the page clearly articulates, the sacraments and traditions of the church serve to make us more aware of Christ's presence and work in our lives. That presence and work is 100% dependent on the worthiness of God and not ourselves (thank goodness!!). But, the more we attend to God's work, the happier and healthier we will be as individuals and as a community.

I am loving getting to know you all. I see many ways that God is at work at St. Timothy and in Wayne. I look forward to growing my own faith along with you for years to come. God Bless!

See you soon!

MEMORIALS

Since March 15, 2021, a gift has been given to the General Memorial Fund in memory of:

Anna Cornett, sister-in-law of Gloria Everett

and gifts have been given to the Memorial Garden Fund in memory of:

Harold Winters, husband of Pat Winters

During this month, Memorial funds were used to purchase 2 air purifiers for the sanctuary; and Memorial Garden funds were used to engrave 3 recently purchased pavers. Also, a first disbursement was made to the Angel Circle from the Lillian Fanslau Fund. We thank the Fanslau family for designating gifts in Lillian's memory to the Angel Circle for supplies and equipment.

No Memorial Garden pavers were purchased this month, so our paver total stands at 115. The price of a paver is \$300.00. Checks may be made to St. Timothy Memorial Fund, with the words "Memorial Garden" on the memo line. Pavers may be engraved with the names of deceased loved ones or left blank for future engraving. Paver application sheets are available in the narthex. See Pat Winters for further

information or assistance. The Memorial Garden is self-supporting; gifts are welcome at all times!

We also welcome contributions to the fund for restoration and enhancement of our Church organ. This work is ongoing. Checks may be made to St. Timothy Memorial Fund, with the words "Organ Repair" on the memo line.

We are grateful to all who have given to the St. Timothy Memorial Funds – the General Memorial Fund, the Music Fund, the George Laubscher Monday Morning Fund, the Memorial Garden Fund, the Eternal Light Candle Fund, and the Flanders/Schleer Scholarship Loan Funds – and for the faithful repayments to the loan funds. We welcome additional contributions as we assist families with the high price of college.

A joke: "I finally decided to sell my vacuum cleaner. All it was doing was gathering dust." We need jokes today. Comedy is gone.

So many things going on. I watch the news and feel overloaded with frustration. I hear mixed messages about going out again, even if we've had a vaccine. "Let go and Let God" comes to mind. I'll try that.

Jesus said, "let he who is without sin cast the first stone." John 8:7 -- Where is the country I grew up in? When did having a different opinion become a reason to get fired from your job? Where is free speech? What about the media misinformation? We all know you remember the first thing you hear not the later correction.

Another joke: "I was wondering why the ball was getting bigger and then it hit me".

I have to admit I'm worried about the children coming across the border and the trials they have been through to get here and how traumatized they must be. Where are the mental health professionals? I don't hear them talking about The PTSD most of them will face. Abandoned, abused, scared, dropped in a foreign country. The drugs coming across are a whole different issue.

The religious organizations will be the ones who will help. We need to search and find out where we can begin to help.

My last joke I promise. "What is the opposite of irony? Wrinkly."

We need each other to get through this difficult time. As I write this, in person services will begin again soon. How wonderful that will feel.

A fond memory... On the 69th anniversary of Jackie Robinson breaking into baseball I smile. My father and I were big Brooklyn Dodger fans. I can still tell you who manned the field when Robinson was on 2nd base. I went to Ebbets field. I have wonderful memories of baseball. How sad we were when they went to California.

One last thought. Remember the media reports the unusual, not the usual. Don't forget to tell some jokes, and remember God is always with you.

Thank You

BIG THANKS to the many people that worked to make in-person worship possible again. Both the Worship Committee and the Re-opening Committee planned out the space and the service to make the worship safe and meaningful. Please thank them when you see them.

Worship Committee members: Fallon Goskowski, Anne Loffredo, Robin Koegel, Carolyn Russo, Valerie McGrath, and Crystal Eggers. Caroline Parody also works with this committee. She has also gone way above and beyond to provide excellent worship music despite tremendous challenges.

Re-Opening Committee: Dr. Lori Bleeker, Laura Dec, Ed Cleaver, James Koppenal, Ilona Oosterwyk, and Robin Koegel.

In addition to her work on re-gathering, Valerie McGrath went above and beyond throughout Lent and Holy Week with setting up - often more than once/week - for services that were being pre-recorded and livestreamed. Her team included her husband, Mark, and Nancy Farina. Their efforts, absolutely, made for a more beautiful experience for all of us.

Sunday School classes at St. Timothy are almost finished for the year. Our last date to meet will be on May 16. This year has been especially challenging for all of us who teach and the students/parents. I will give you the timeline of events, I hope you can follow along. Sunday School started on September 20 with some in-person and virtual teaching when we regathered with Pastor Bernie. Our curriculum that we all liked had been discontinued and the replacement was not liked by anyone. So, our

Christian Education Committee and our teachers found a digital and hard copy curriculum that we were really happy with; and that was not an easy task either, but it got done. Best yet, it was less expensive. Next, we all had some issues with our Wi-Fi in the building to find out we needed Optimum to come out for repairs. Now we were ready to teach and learn. All was going well until the COVID-19 infection numbers started to climb again last fall. For safety reasons Sunday School was changed to completely virtual as was church service. Each teacher used the platform that worked best for their class. Whether it was Google Meets, Google Classroom or Zoom to teach Sunday School. In March we welcomed Pastor Kimberly and on her first Sunday threw her into, not literally, co-teaching the Catechism class each Sunday morning at 9am. Pastor Kimberly also met the Pre-K and K class one morning on Zoom in Fellowship Hall. Oh, and I almost forgot that Sunday School originally was the same time as service until we went all virtual last fall. That's when it changed to 9am or 9:30am depending on the class. And, now, it's May. It was a little bit of a rocky road but, we made it! We all made it together. This is definite proof that God and Jesus are always with us and looking out for us.

Confirmation Sunday is May 23 during the 10am service. Our five Confirmands are: Caroline Corbett, Jacob Dittmer, Joshua Dittmer, Bryan Lawson and Ava Serventi.

Cross and Crown Attendance award recipients will be listed in the June TIPS.

Thank you to all of our Sunday School teachers and helpers:

Laura Dec and Hailey Oosterwyk (Pre-K and K), Charlie and Taisha Purcel (1st and 2nd), Rich and Hannah Wantula (3rd, 4th and 5th), Ilona and Hailey Oosterwyk (6th and 7th), Jeff Riotto (Catechism – 8th and 9th).

Our Christian Education Committee members:

Pastor Bernie (August – February), Pastor Kimberly, Jeff Riotto, Terri Loftus, Ilona Oosterwyk, Cindy Cleaver, Tanya Kellstrom, Hannah Wantula, Christian Wantula, Rich Wantula, Charlie Purcel and Laura Dec.

Bosnia IST ~ SAVE THE DATE!

While the pandemic has delayed our return to BiH the leadership team is busy planning how we can celebrate the 20-year anniversary of this ministry. Come celebrate with us (virtually) Plans are underway for a two-day event June 25 and 26. We'll short fun presentations on what the travel and camp experience is like

highlighted with a live concert from our favorite musician, Larry Olson of Dakota Road (<https://www.dakotaroadmusic.com/music-audio>)

If you've ever thought of going, or just want to know what it's like this will be an excellent opportunity to learn and ask questions of former travel team members and hopefully some real live Bosnians too! A free will offering will be taken on the occasion to benefit the two special needs schools we visit when we are there, Leptir which benefits children and Joy of Life (pictured above) which runs a disabled adult's program.

Stay tuned for details and we hope you can join us.

Pastor Kimberly Cooper
St. Timothy Lutheran Church
395 Valley Road
Wayne, NJ 07470

Dear Pastor Cooper,

On behalf of the children of Bosnia Herzegovina, I'm writing to thank the St. Timothy endowment for the generous donation of \$6,023.97 to the Bosnia International Servant Trip. These proceeds will sponsor "Friendship Camps," where American and Bosnian teammates will lead grade school children in games, storytelling, music and a servant project. The camps are filled with joy, learning and a shared meal.

Amid the pandemic, this New Jersey Synod-sponsored mission celebrated its 20th year. It's a rare intergenerational opportunity for team members aged 15 to 75 to work together toward hope, healing and peace. The travelers all bring back skills and insights to share here at home.

We had to cancel the 2020 and 2021 trips because of the pandemic, but we're eager to ramp back up as soon as it's safe to travel abroad again. Bosnia remains ethnically divided and economically challenged these many years after the 1992-96 war, and the pandemic has only worsened tensions.

We rely on our church partners, who support us with prayer, homemade gifts for the children, sports equipment donations, camp sponsorships, and travel team members from their congregations.

We cannot do this without congregations like St. Tim's.

Peace and blessings,
Cindy Henry, team leader

For us to have a safe and meaningful worship experience, it is imperative that we have enough volunteers to make it happen. In particular, it has been challenging to get people signed up to usher. Please take a moment to look at the sign-up form and consider serving on an upcoming Sunday:

Crystal Eggers has taken on the role of coordinating ushers. If you have questions, please reach out to her or Pastor Kimberly.

Would you like to be part of a prayer chain? If you are interested please contact me at the number listed below.

Here's how it works: When someone calls me with a request you will be contacted to pray for that person, you will then pass the request on to one other person who will do the same.

These requests will not be published.

To ask for prayer, call me and I will start the prayer chain. Requests can be as simple as "please pray for my neighbor who has to move into a nursing home?" or it can be please "pray for my daughter Ann". Feel free to give as many or as little details as you feel comfortable. Your request will be on the list for 4 weeks unless you call to continue.

Those calling with requests will be asked if it is confidential or if it can be shared. If you get my answering machine, you can simply say something like 'this is for prayers' and leave a phone number and I will call you when I get home.

Please call for any additional information,
